

A2 COMMUNITY ORGANIZING INSTITUTE

Trainings & Tools for Community-Led Action

Take your environmental efforts to the next level.

The A2 Community Organizing Institute equips A2 members with practical skills to strengthen your work & build community power.

Through interactive trainings, peer learning, & ready-to-use toolkits, you'll:

- Build power & grow your base
- Mobilize neighbors & run effective campaigns
- Drive progress on the issues that matter to your community, like:
 - Fighting pollution from industrial facilities & advocating for better air quality
 - Protecting access to clean, safe water
 - Preparing for & responding to wildfires, floods, & extreme heat
 - Advocating for stronger environmental protections
 - Pushing for regulations or a moratorium on new AI data centers

Learn. Share. Organize. Build.
